Becky so shocked and saddened by your passing. So glad how you kept up with the happenings of Newry and we would communicate always with good thoughts and love. You were always such fun and how I remember spending the night with y'all and Nancy had to call us down for laughing all night. Good times! Missing you till we meet again my cousin and friend,love.

“ *Becky was a very loving and caring person. Especially when it came to her family. She will be missed dearly and never forgotten. My prayers are with the family especially Tina, she was her everything. Sis instead of getting flowers I have something for you. Love you and see you tomorrow. Fly high Becky know you smiling down on us. May God ease your family's pain and give them peace.*
