“ *To the Couch family:*

I just tonight heard Wayne had passed on. I offer my condolences and heart felt sympathy to all his family and friends. I pray that God comforts all of you and provides you peace to help you with his loss. Although we grew up together and visited as teenagers and enjoyed each other's families, I had not seen Wayne in many, many years and recall seeing him upon his return from a military overseas assignment back in the early sixties. We both were serving in the USAF. Please feel free to contact me if I can offer any assistance or info you might want or need!
