Momma, I think about you everyday. I know you are in Heaven with Jesus Christ. I will see you there. I love and miss so much. No one can take my love for you away. The way they did you from me. I know you thought I didn't love you because I didn't come to see you. It wasn't me doing that. It was because they wouldn't let me. God knows who they were. Kenneth and I love you with all our heart. See you in Heaven. One day! Love you Momma! No one can stop that!

Mom, you were my best friend. You were always there when I needed you. I remember I was so sick. I could not fix Kenny something to eat. You brought him something to eat. Thank for you for that. Also I remember that I call you one morning and told you. The car was mess up and we were on the side of the road. I asked you to come and get Kenny and me. You said you would be there in a fews minutes. Then I said April fool day. We both laughed about that for along time. We always had fun together all the time. I love and miss you so much. I will see you again. And all of our love ones
