“ He was a good friend to me. He surely had a heart of gold. Although burdened with so many pains, he still chose to reach out to others and share his loving words of wisdom. He cared so much for others. Praying for the family and friends of a great man, truly missed by us all.

“ It's gonna be hard to live without my son and best friend. He always called me about every other day to make sure "Pop" was ok. He was as big an influence on me as I hoped I was on him. He had a heart of gold and would give his last dollar to someone in need. My prayer is that he will rest easy in the hands of Jesus. As we always did, I will say goodbye with "I LOVE YOU"!❤️

We have had so many laughs and cries over the years. Please take comfort in knowing his heart is no longer in pain. Praying for each and everyone of you now and the days to come.*

“ Best resource officer ever, big heart of gold. Won the hearts of many children! My little one looked forward to seeing him at school every morning , he would open the door and say there's my smiley! Then grab her hand and walk her to the door and give her a big hug. He will be missed by many many people .
