“ Sorry for your loss, my heart goes out to your family. Praying during this difficult time. My memory of Randel is times spent at my cousin's store Suddeth Bros. shooting pool. Living in the same neighborhood and hanging out with other friends with him growing up.

Wow... I've known Randel since high school but it's been years since I've seen him. I don't know what happened but it really saddens me to know he's gone from this world. He was a great guy and loved by many. My heart goes out to Ashley and their kids and grandkids and the rest of the family. Prayers for all.

My family and I send our deepest condolences and prayers to the family and friends of Randel's. May the Lord grant you peace, comfort and strength during this time. May your hearts continue to be filled with the loving memories and good times you shared with your husband, father, grandfather, co-worker, and friend.

I've had the pleasure of working with Randel for the past three years. It really hit hard to hear of his passing. We already miss seeing him walk through the office at BMW greeting everyone with a wave and smile.

Ashley/Tyler and family, I send my condolences and prayers for peace in this time.

This seems really sudden. Keep all the smiles, laughs and good times close to your heart and let go of any pain, sadness and tears.

Let me know if there is ANYTHING you need.

*My sincere condolences to the McCall family.*

*Randel and I hired on at Benore as Fleet Managers around the same time and we spent our days (and often times evenings) working hard to create a better environment for the drivers and employees in our care. I appreciated Randel as a peer, looked up to him as a mentor, and greatly respected him for his dedication to family. He had a great sense of humor and nearly always had a positive outlook on the situation at hand and life in general. He was always quick to brag on Ashley (in a playfully sarcastic way), his sons, nieces / nephews and grand-kids.*

*We've truly lost a great one and I'm thankful to have known him.*

*Until we meet again,  
Kevin Nadeau*
