“ Ray would do some crazy things at times...and embarrassing ones for me like the time he embarrassed me in the jewelry store when we went to pick up something for my sister then we fought most of the way back to Shelburne Falls...but he was a hard worker and yes he loved his children and grandchildren...you will be missed my brother in law💕💕

“ He loved taking "chances ". Remember the jeep ride he took with Denny? A jeep on a dirt bike trail. Lol
He may not have been there for his 3 kids, but he LOVED each and every one of you, more than you can imagine.
He will be missed, fly high and we will all meet again.
