“ *Becky and I worked together for many years. She was one of the sweetest ladies I know. She had compassion for everyone especially her wonderful family. Generosity was so easy for her. I don't think she met a stranger and could make you smile within a second. My heart goes out to her family. There will never be another lady like her, she will be certainly missed by all who knew her.*
Sincerely,
Jane Dyer ”

“ *Becky was one of my hospice volunteers for eight years. She had a heart of gold and always went above and beyond. Anytime she was worried or concerned about a person or issue, she would say “Larry's having coffee with God this morning and they got this”. There's a lot of comfort in knowing that Becky and Larry are both having coffee with God this morning. I will always be grateful for her friendship. Prayers for the family.* ”

“ Becky was a sweet, unique & talented lady. We enjoyed going on a cruise together & many family holidays. The only disagreement we had was she didn't care for my love of The BeeGees.

She had a lot of fun on that cruise. We laughed about the "oinks" for years 😂
