“ *My grandmother (Nanny) was the strongest and most gracious woman I've ever known. She raised me as her own through years of hardship that would have broken me without her. Every time I bow my head to pray she has always been and always will be the first thing I thank God for. No one can know how hard this has been for me and my siblings who view her as our mother. She will always be missed but she is always with me. You taught me how to love with a pure heart, how to forgive, and how to survive. Nanny, you made me the woman I am today and you will never be forgotten. I love you a bushel, a peck, and a hug around the neck.*
