Reva was a devout Christian and her strong faith was felt by the church community in SC and in NC. Her membership with the WPO was a powerful inspiration of fellowship to all.

Reva will be remembered for her kindness and generosity; through gifts of homemade jellies, jams, fried apple pies, and more delicious recipes. The cherished stories she shared from all her travels; every picture, every recording, every carvings and Elvis will forever remind us of her. “ I have so many memories with Aunt Reva and they were a big part of my life❤️ Filling Green stamp books, watching her carve birds, and oh my the fried apple pies! Awesome years at Post Polio Camp in Boone, getting up before dawn and cooking breakfast with her, my mom and aunt Susie. Late night phone calls just to talk. No mayo and no cheese!😭 That stubborn will and determination. I never knew a more devoted Elvis fan😎 Precious memories of her and my son baking together☐ Lots of love, laughter, and now some tears. I will miss you so much😭

“ I'll never forget my memories with Aunt Reva, funny & great ones. I'm gonna miss her baking desserts, even if there was a time where something went wrong she still made it work and made it taste good. I would like to thank her for being a part of my childhood. Even if it wasn't as much as I wanted because we lived apart, the memories still helped me get through tough times. Kids need their family. They need grandparents, uncles and aunts for the memories. She will be missed. I'll miss her😭

“ I have many many memories with my sister, the last one was just as special as the first one. Our mama always peeled apples and shared the slices with us. Reva always peeled apples and shared the slices with her children, grandchildren and great grandchild. My last memory with Reva was peeling apples and sharing slices with her. Loved my sister and will miss her.

Eunice Harmon - October 16, 2025 at 08:55 PM

What a beautiful memory Eunice and yes I loved it when she would peel and share slices of apples. I could never slice apples like my Mom. I'm going to miss her more than I can say 😞

“ I am so sorry to see this. Ms. Reva was a precious lady. She was always bringing something to me when she would visit in our office. I have a bird on a stump that she had given to me several years ago and a jar of mixed bean soup mix. So sorry for your loss.

“ I was thinking about the day I met Reva. Reva and her friend Pauline were visiting her niece Grace for the weekend. Grace said she was busy on Saturday could I show Reva and Pauline around and take them some places. I didn't know them from Adam but I met them that morning and we had a good day. That day was one of the biggest blessings the good LORD has sent my way. From that day till now she was one of my best friends a second mom to me. We lost our mom 3 years ago she was there anytime I needed to talk to her. H ER Faith in the LORD and love for her family and friends were second to none. I never met Baxter her husband but talking with Reva over the years she talked about him all the time I felt I knew him. she will be greatly missed by all. If anyone ever goes to Heaven it's her. Im not gonna say goodbye I'm saying until we meet again Ole friend.

“ I have lot's of memories with aunt Reva. She taught me to make fried squash blossoms and other tasty foods. I lived with them when they lived in Banner Elk NC forv2 years. I would help with the wood work and finish items by dipping birds and putting water lox on ornaments. We brought a dead snake into the house to ask Reva what kind it was. When she saw it , she screamed and almost fell out of her chair. Lol! She was a wonderful and caring lady, and she will be missed 🙏
