“ Rex was like my younger brother. His family lived on the same street and he's my brother's closest buddy
He always been there for my parents. Going to miss him. Part of my heart is gone.

“ Rex was a regular at The Huddle where I work. Every morning he insisted on buying me a biscuit. Even if another girl took his order he always got me something. He had a very kind heart. My thoughts and prayers are with the family.
