“ So very sorry for your loss . My thoughts and prayers are with the family. Rex was a cousin and when he was staying at his Big Mama’s (my Aunt Bessie ) we all would hang out together.

“ Glenda you and Rex are two special people. Although I moved away you stayed close to me and always made a way for us to see each other here in the lowcountry. All of us laughed many times and your last visit here just a short time ago was no exception. I thought he was better at directions! He will be missed for sure! Love you.

“ I met Rex around a year ago after a morning service at Rock Springs Baptist Church and ended up serving with him in the technical ministry. It was a real privilege to have known Rex for that time. He was so great to work with and cared so much for people and helping them in any way that he could. My prayers are with the family.

“ Rex was a Awesome Friend here At Rock Springs Baptist Church, we both used to work together in the Technical Ministries for years and he still did even when I left the Ministries and persuaded other things within the Church! He was a Blessing to Rock Springs in what he did! And Very Much Loved! I am Praying very much for Glenda and his Family!

“ Meredith & Family & Friends of Rex P. Smith! I never got to meet Rex But I know his Daughter both as a friend & a Boss! Meredith is such a fantastic human being who takes life seriously but also has a great sense of Humor, now that she has posted how her father was a cut up & loved to laugh I feel I know Rex somewhat! My prayers are with the whole family & Friends that they too will question where they will go when they depart this planet! I especially will be praying for Rex's wife as I know the days ahead will be challenging. I pray for you All to be comforted with the Love of Jesus Christ! ❤️
