“ *What a shock to open my computer to find an address to wish Rhonda a happy birthday and find, instead, her obituary! Just goes to show you what family is, any more... May you find peace and comfort in your afterlife, Rhonda. Please tell those I loved that have gone before how much I love and miss them, as I do you. Rest in peace, my dear cousin.*

“ *Rhonda was always a ray of sunshine. I loved working with her . she was always more concerned about the people around her than anything for herself, no matter what was going on for her the first thing she would say is what can I do to help you. She shared her infectious smile, laughter and humor every Friday with us on meetings that just made my days brighter. I will miss you my friend. Peace and love to the family Jody Thomas (NSN)*
