“ *I worked with Larry for many years in communications at the Pickens County Sheriff's Office. I always admired his compassion for the work and his desire to help everyone he spoke with, even if they weren't so nice on the phone. I had lost touch over the last few years but I want you to know I considered Larry a friend. I know you all will miss him greatly but I also know he has already received his heavenly reward. God bless you all. Phillip Snow*

“ Carolyn, My heart goes out to you and your family over Larry's passing. He was a kind and gentle man. As a child, I watched him play the organ and learned so much from him. I can still hear him as he played and sang for the Lord. He will always be remembered and loved by all who knew him. Love, Jenny (Cash) Rackley

As we journey through life we have many friends, but a hand full of close friends. I always counted Larry in the latter group. As a fellow church member and later as his pastor, I cannot recall one instance when he was not a wonderful Christian example of what it meant to follow Christ. The world is a much poorer place with his passing and it leaves me with a sad heart.

“ I am so sorry to hear of Larry passing. He trained me at PC 911 in June - July of 1999 as I'm sure he had many others. He was such a kind and gentle man. I appreciated every moment of his teachings and how he could put my mind at ease with his soft voice even the night when I replied, "10-4, Swan" instead of 10-4, S-1. We all have lost a truly gracious, Godly man. My deepest sympathy to you all. God bless and keep you in His loving grace.
