“ *Dickie was family to me. His brother Craig married my sister. We used to set up all night playing spades. Dickie was a spade champ, and a wonderful guy. See you on the other side Brother. Donna Johnson (Kelley)*

“ *Dicky and I first met when we were 6yr. young. We became best friends through all of school and even after. We ran the streets of Alice mill hill doing the things that kids did back in those days. There's not enough room on here to put our adventures we did together. We were just the best of growing up. I love Dicky. He will be heartfelt missed.*
