“ We will always remember the little boy that ran around our house and the man you grew into. Always soft spoken, even when I was mad at you and Shon. You gave the best bear hugs and always made sure you remembered to tell me you loved us. I am heartbroken for the little boy and man I loved so much and will always have a special place in my heart. May you be at peace and I know your Dad was waiting for you with open arms. We love you Shannon and hope you find the happiness you deserve as you fly among the angels.

“ Shannon was a sweet soul and always had a smile on his face. I have so many memories of him and Holly when they were small. Seemed we all were always together having good times and making memories. I loved you like you were my son. You and Holly always played so cute together. I remember those big dark eyes and dimples and how they could melt your heart. You always had something cute to say like when you saw a pulp wood truck and would say Look Mama a puck wood truck. You were greatly loved and will be greatly missed. We love you Shannon. Praying for you Tena for the days to come. I pray for God to give you comfort and strength. We Love You !
