“ Oh the memories, there are so many. My family had known Bobby, his parents, siblings since I was a little girl. We lived neighbors to his Grandma Craig, went to school with them. Also went to church with them. Later on got to meet his precious wife and little girl. Bobby was a true friend to my son and his family.

“ Bobby was my uncle. One of my most precious memories is how he always made sure to call me on my birthday! He said he vividly remembered the day I was born. He was only 13 and the first niece. Uncle Bobby was always there for me and later my family. I have such fond memories of the wonderful times Caroline and Meredith had with their cousin Maggie. Bobby was so loving and generous to everyone but especially his family. We will miss you so much but know you are now in Heaven rejoicing with my mom Carolyn, sister Patti and with Grandma and Papa Scruggs!
