“ Robert was my nephew and so very dear to my heart. I am absolutely grief-stricken at losing him. I remember him as a little boy who could make me laugh, and as an anointed minister of the gospel. When God called him, he was told that he would be greatly used but that he would be greatly tried, and he has suffered so much loss in his life. Now he is free and happy and I look forward to the day when I can join him and throw my arms around him in our Father’s house.

I just want to say that it breaks my heart. I have many memories of him. He married my son and Tasha and also my daughter Becky and Carlos. He was an awesome pastor. He is the one that always encourages me. He always prayed with my daughter that she would have a child. And she got pregnant and he said its gonna be a girl. And it was. I know hes praising the Lord and having wonderful time.

“ Remembering this beautiful family tonight! I am reminded of Bro. Robert Kelley's service with the Pickens County Sheriif's Department, his service in ministry as pastor of the Cateechee Church Of God for 16 yrs. He was a blessing early in my ministry. He was a man of character, and He will be greatly missed. I am so thankful we were able to reconnect. I look forward to seeing him again!
