“ Robert or Robbie as I called him, was a wonderful, kind man, a sweet cousin and I have many wonderful memories with him during our childhood at Granny and granddaddy Schultz's house. As adults, he never missed a chance to pop in where I worked to say hello and ask about his Hartwell family while on his route. I never saw a frown on his face, his smile could light up the room. He gushed when talking about his life and his family, especially little Robbie. I will cherish those memories forever. Rest in peace Robbie, we love you always.

“ I want you to know that Robert was a good friend to me.

Robert was a hard worker and he never complained.

He was always happy to help another driver when needed.

He always came to me with a smile that automatically made me smile.

I'm so sorry that he's gone , but even more sorry that I didn't know he was so sick.

I retired in 2018 and sort of lost touch with a lot of the drivers.

Robert was one of the good ones and I loved that man .

He will be missed by a lot of people and we lost a good friend that day.

Robert was loved by everyone who knew him at Carnesville .

My best memory of Robert will always be his smile.

I'm sorry for your loss and if there is anything I can do for you let me know.
