“ I met Bobby at the Friday night jams at Oolenoy. I loved to hear him sing and play and over the years looked forward to any time he would join a jam session. He was very talented. I remember one night when my husband was singing one of Jimmie Rodgers songs, Bobby came in with his imitation of a train whistle- it was funny because we couldn't figure out where the sound came from and he never let on that it was him. Of course, a little later we caught the twinkle in his eyes and realized he was the "train". He was a true gentleman and will be missed by all who knew him. My thoughts and prayers are with all the family. May God sustain and comfort you. Gayle Cantrell
