Daddy,

Memories are treasures no one can steal. Death leaves a heart ache no one can heal. God gave us the strength to fight the blow, but what it was to lose you no one will ever know. A million times we have needed you. A million times we have cried. If love alone could have spared you, you would have never died. A precious heart stopped beating. Two smiling eyes at rest. God broke our hearts to prove that He only takes the best.

Mountain View Funeral Home is serving the Moore family.
