“ Jean & family, so sorry to hear of Ronnie's passing. We always enjoyed seeing him out & reminiscing about old times. Harold first met Ronnie when he was a State Trooper, and he had visits with him quite often, which made them lifelong friends! May God comfort you and give you peace.

“ Dear Friends,

Murray and I send our love and sympathy in the death of your wonderful Ronnie. He was a man who loved his family, friends and his community. In our restaurant visit late last fall, Ronnie was sharing his proud “Daddy/Granddaddy” news about the accomplishments of his family. He loved you and he was happy when I wanted to remember my associations with you.

We knew Ronnie was getting over serious concerns but we were not ready for Ronnie to leave us. This is very sad.

You were wonderful to your Ronnie and gave him family and the affirmation of devotion throughout his illness. Jean has ministered to her Ronnie with deep devotion.

Prayers for your strength and comfort and peace are offered today and throughout the journey of grief. ❤️🙏
