“ *Mom, you were a strong woman and you will forever live within my heart. I don't know how you done it. You managed to work a full time job while shuffling Jeremy and I to soccer games, practices, clogging trips to fontana, birthday parties, and more. We never went without and you done this alone, without a second thought about it. We know how much you loved us, and I hope that you know just how much we all loved you as well. This is only a temporary goodbye mom. I hope to see you again in the future, when the good LORD above calls me home. I love you mama.*
