“ Dear Missy & Billy, please except our deepest condolences and heart felt sympathy. We enjoyed a good conversation, laugh and smile each time your daddy stopped by our home to get eggs. He was a wonderful and welcoming neighbor. Ricky and I will keep you and your family, in our daily prayers for the difficult days ahead.

“ We loved Merle and always enjoyed his company. He was the most awesome relative to daddy in his last few months, spending time with him, encouraging him but mostly being a "brother" to him. My heart breaks for you all but I know who all welcomed him into Heaven and what a joyous reunion they all had. If there's anything you need, we are here for you all. Love you all and will keep you in our prayers.
