“ *Ruby was a beautiful sweet and kind southern lady. She was always smiling and loved people. If you were around her for very long she treated you like family. I knew Ruby for over 45 years, she was the same happy lady after years of knowing her. She loved her family and she loved the Lord! She loved working, meeting new people and shopping. If you went to her house and she had cooked you best eat something! Ruby was a very good cook. She was so generous to others and cared for them. I loved Ruby and will always remember her. To her children, grandchildren and the rest of her family, it was a pleasure to know your Mother, Grandmother. She set a good example of what others need to strive to be and live like. Yes, she has passed in this life but she is starting her eternal life with our Lord , Jesus Christ. I just pray for the Lord to be with each and every one of you to give you strength, comfort, love and peace in your heart knowing that one day you will see your Mothers smiling face again! 🙏🙏🙏*
