“ He was the best friend I ever had. So many great memories. That smile he had when he was being mischievous, his support and love, I could go on and on. You will always be in my heart Ry ry. ❤️ Ky ky

“ *My heart is broken in a hundred pieces it seem like. I simply can't wrap it hp in my mind. Wasn't that long ago that I would see him walking to school as I was getting ready for the day myself. He was always kind and considerate to me and I always so appreciated it. Beth you are in my thoughts and prayers as I grieve with you.*

*He was our nephew. We loved him so much. There are many questions surrounding this great loss. Please continue to remember us in your prayers especially his mother and his grandparents.*
