“ *Sammy was truly one of a kind, his compassion and friendship will be missed on many levels. I always knew if I needed anything I could call on him.*

Sammy, Jason and Josh have been more than just a vendor, they have become family to Lisa and I, over the years.

Sammy has always been proud of his family and it was always good to hear his stories about all of them.

“ *Words cannot express how truly sorry my husband and I are for your loss. Sammy was a very special man who will be greatly missed by many. He was an extraordinarily caring man that had the ability to befriend anyone like he knew them all of his life. We've had the pleasure to know and do business with Sammy, Josh, and Jason for 11 years. One of my favorite memories of Sammy will always be that warm friendly smile. Another favorite was when he called my husband the day our youngest was born to check in and make sure the delivery went well. He always went that extra mile with kindness. Sammy will always have a special place in our hearts and we will forever be thankful to have known him.*

*Sincere condolences,
Stephanie & Dave Gottler*
