“ Jerry, you don't remember me I'm sure but this is Beatrice, Gary Bogg's wife. I know the pain in your heart because I had to give Gary back to GOD February 3, 2022. I was engaged at 15 and married at 17 after graduation. Gary loved me 57 years and 55 of those years we were married. Grief is the last act of love you have for your spouse. Sandra was a ray of sunshine with that smile and I'll never forget the first time I met you and her. JESUS has picked me up so many times since Gary went HOME and HE'S still allowing me to lean on HIM. The last thing Gary promised me was that he would be waiting for me by the river. I could not have come this far without JESUS. HE left us a precious "HOPE" of being reunited in heaven one day and we will never have to part again. No sickness, no pain and no one will say an unkind word to us in heaven: ALL WILL BE PEACE FOR ALL ETERNITY. If I can help in any way, please let me know. I'm praying for you and your family. GOD BLESS

“ Sandra and I were neighbors when I was 9 and she was 12. My parents left me home alone while they had to work. There were so many adventures we had.
This is one of them: we lived on Humbert Street on the “mill hill”. My Dad had a new car. He was so proud of it. He had a metal plaque made saying this car made especially for Henry Roberson.
He and Mom walked to work because it was close. Sandra and I put soap on Dad’s car and we got on top of it and slid down the window. We got propelled off the hood and onto the ground. Did we do that again? Yes we did until our nousey neighbor told my Dad. Did I get spanked? Yes, but it was worth it all.
Sandra and I did life together. I can never express my love enough for my “only sister”
I hope we can behave in Heaven. ❤️❤️❤️

When my husband and I joined Utica Baptist everyone thought we were sisters. Sandra felt like a sister to me. When she found out she had cancer, she called to tell me. At her worse times, she was always positive and never gave up. Such an inspiration to me and others. I went to see her before she passed away. She told me it was going to be ok. I will miss her but will be reunited with her again one day. Love you sis

Sandra and I were friends for 73 years. We started school together at Utica Elementary and graduated high school together in 1963. We also went to Church together. We had a little group that were all friends and we would play together.

When Sandra found out she had cancer, she was devastated. Breast cancer ran in her family and she had 2-4 mammogram a year. But, to no avail. The cancer started in another place in her body. I loved Sandra dearly. She was a wonderful person....always had a smile on her face.

Sandra, I miss you, but I know you are in Heaven with God walking the streets of gold. I will see you again when God calls me HOME. Talk to me and shower me with some denotation of coins. Just a few so I will know it's you. Don't leave me lonely. I still love you so much.

Jerry, I am thinking king of you. I know how much you two loved each other. Every time I would talk to her, she would say, please watch out for Jerry.

She would say I don't want to inleave because I have to leave him.
