“ I was searching Facebook for Sandra to let her and Stanley know about the death of someone else - I was so surprised - even though we only saw each other once a year at most Sandra was always able to pick up and care about me and my family as if we had just talked the day before. My thoughts and prayers are with Stanley and the extended family. Sandra was an amazing lady and will definitely be missed by those who knew her.

“ I remember meeting up with Sandra Williams and my mom after the first class cruise through the Mediterranean and Adriatic. The cruise finished in Venice so we meet up at a hotel and we visited Venice, and I drove with her, my mom and my two kids to Padua. We all had a great time experiencing the Italian culture.
