“ I have so many great memories of my precious mother in law. I praise God for each and every one of those memories. I will forever cherish our trips to the beach, our many walks on the beach together. I will never forget when my mom passed away ; the look in your eyes , and the sadness you felt for me. I will never forget your love. ♡♡ Enjoy Heaven with your mom , and dad and family . I'm crying for myself, because I will miss you, but I'm rejoicing in knowing that you are healthy now and walking the streets of gold. I will love you forever.♡♡
