“ I met Blake through Austin, my boyfriend- Blake was so sweet and had such a bright personality. He taught me ways to pick on Austin, and they do work (lol). Blake will forever hold a special place in all of our hearts. Thank you for being so good to Austin- he loves you dearly.

“ Blake wrote his name on Terra's wall after she spent the afternoon putting makeup and nail polish on him. This was back when she was just Jed's sister.
This is who he was to me. Just a really lovable doof.
