“ Shana was my sweet friend at Holly Springs. Later, in middle school I got to go to my first high school football game with her while Austin was a ref. In high school we had a good time cruising and hanging out. She was a beautiful lady with a big heart. We shared many a laughs and happy times together. She will be greatly missed.

I grew up with Shana. I remember being cheerleaders when we were younger. I would spend the night at her house and we would get ready for the game listening to Bon Jovi and others on the record player. I love Shana and her family. She is a beautiful lady and she will be missed.
