“ We are sorry for the loss of Shannon your dear wife and dear mother of your children! I can't say I know how you feel because never had to experience that kind of loss but I know God has the best in heaven and I am sure the hurt is tremendous but God had a plan for her life and called her home! He loves you and your family and may you feel his mighty loving presence where ever you are! We love you & family. Gods strengths be with you to continue on!
