“ *My fondest memories of Kay were when we grew up together at the family get togethers. Kay always was so kind and had a gentleness about her I will never Forget. She was my older cousin that I looked up to and knew she would always be there for me. Kay made me smile and was a delight to be around. She will be missed I am sure. I loved you as my cousin, and I always will. I was blessed to have been around Kay.*
