“ I have thought about all the memories my family shared with Sherry and her family. Nothing but smiles! The summers spent camping at the lake, jumping off the back of the boat, playing bad mitten, digging potatoes, chicks for Easter, and riding on the motorcycle. But the one memory that serves me best today is Sherry witnessing to us at a time my family was not going to church. We had to be 6 or 7 at the time. Sherry has loved her Lord all her life! What a celebration they must be having in Heaven. Love “Dip” and will miss her greatly!

“ I remember calling her dip. She is so special to me, because she always called me her cousin from the minute my mom married Maurice. Everyone in your family did. I loved her sweet heart and I loved her mom and dad. They never made me feel like I was not family. For that I am eternally blessed. Love and prayers Dwayne
