“ *Linda Gail and Suzanne,*

i was saddened by the news of Stanley's passing. He loved you so much and I know you will miss him.

Stanley's knowledge of history was amazing. His collection of information about the Boy Scouts, Pickens football, all the genealogical records and other projects he left are treasures. His contribution to all, especially those who have Pickens County roots are to be appreciated and passed on to future generations. Thanks be to God for this well lived life.
