“ Just learned of Suzanne's passing. I have so many wonderful memories of growing up together. She was so much fun to be with, and was such an influence in my teen years. She would let me drive when I first got my permit (at 14yo...yikes,,). She lived in Atlanta, and I rode the bus there, and she helped me find my prom dress. Allen and I visited her in Florida on a trip to Disney World. Saw her at a craft show in the Bahamas on a quick cruise with girls there. Although it seems I didn't see her much in these last years, but I cherish the times we did. So sorry , Suzi and Don. Sending love and hugs, Mickey and Allen

“ I was saddened to hear of Suzanne's passing. We were sisters in law many years ago so I haven't seen her in quite some time. I do have some fond memories of her. One in particular is Christmas of 1972 in Florida when the entire family- all 13 of us at the time plus a Great Dane were together for a week. It was complete chaos at times but we managed to get through it! I also have great memories of vacationing in the Bahamas when she lived there. To this day my family and I still enjoy numerous recipes that Suzanne had shared with me. She was an excellent cook. Condolences to Suzi and family. Darlene (Dee) Boggs

“ I'll always remember Suzanne as a multifaceted, multitalented woman who learned to master macrame, ceramics, first sailing a boat in the Pacific, raising pure bred horses and dogs and last, but not anywhere near least, becoming a pilot. I also enjoyed many of her gourmet meals. There wasn't anything she couldn't do once she put her mind to it. My sincerest condolences to Suzi and family.

“ I knew Suzanne when Suzi and Jay came into my life. She was an adventuresome person who loved experiencing life on the water in the Bahamas. When she lived in the States she devoted much time to her horses and dogs; a lover of animals. Suzanne was applauded for her culinary and pottery art; an appreciated contribution to her family and friends. Praying for God's arms of comfort for Suzi and family. I hope the happy memories shared with her will remain in her heart.-Beverly Boggs

“ So sorry to hear of Suzanne's passing! I was Suzanne's flight instructor in Ft. Lauderdale, almost 30 years ago! We had many fun adventures, one of the best was a weekend trip to an out island with Jay. An incredible chef, Suzanne prepared fresh conch ceviche, which was amazing. She was a brave soul who led an interesting life and her memory will be cherished. Condolences to Suzi and family. - Terri Meyer
