“ I would first like to say to the Vuncannon family that I am deeply sorry for your loss, Terry was a real friend to me , a person who was full of life, fun to be around, he could make anyone laugh, over the years I lost contact with him and the family, i just found out about his passing a week ago and it tore my heart up, i will now and always miss you bubba, may the good Lord now and forever hold you in his hands, until we meet again, your friend, Robert Turner,
