“ So sorry to hear of the passing of Tommy! I worked with him for over thirty years. Tommy was passionate about his job and would argue with anyone to get his point across. I considered him as a great friend. Diane and family, know that I will be praying for all of you in the days ahead. May our Great God give each of you comfort and peace in the coming days.

*I wish I knew to say. Saying I'm sorry surely doesn't scratch the surface. Tommy was a good man. Like many folks on here-ECP was where I met Tommy. I was a floor sweeper and he was already climbing the ladder as one of the companies best technical folks. Eventually I worked for him on the weekend crew. Great boss even though I kinda made his life difficult. Later I worked with Ms Diane at Reliable Sprinkler. What a wonderful and sweet lady! Just great people. We lost a good one here. Jesus gained a good one. Prayers for you Ms Diane and family 🙏🙏🙏🙏*
