“ Tommy Moore u were always a great and wonderful friend to Mark and me. It's sad to know that u won't be with us anymore. U have helped us with so much and vise versa. We had plans to go down route 66 and I hate that we couldn't and didn't leave fast enough for none of this to happen. It's not right. U are now watching over us and until we meet again my friend. Keep us safe from any harm or negativity that comes our way. This just doesn't seem real to me at all.

“ Tommy, your passing has brought clarity to the saying "life is short" bcuz you were taken from all of us that love you way too soon. You will forever be in my heart and there won't be a day that goes by that I won't think of you and miss you deeply. Rest peacefully dear friend and we'll see each other again one day! I love you Tommy

“ Tommy you were one of a kind. Nobody has or will ever come close to the type of person were. A heart of gold, a strong will, and an attitude to take on life's struggles and help to help everyone else with theirs, even when you weren't mentally prepared for something, you still made the impossible seem possible. I miss you so much and still can't believe your gone and I'm writing this message. I hope your looking down and see how many people loved and admired you. I love you.....
