“ If there is one thing I’m sure of Tom loved you, Belle and Sebastian. I know life had its ups and downs but that man was loyal to his family and he loved deeply.

Tom is going to be missed that is for sure. He was a very special person, his humor, his drive, he was awesome. Marty was a life long friend of Toms from childhood, he knew Tom much better than I did but I have gotten to know him over the last few years and I thank God for that.

We thought of Tom as like a brother. My daughter Stephanie even got to know him pretty well and she stated that he was kind of like the brother that she had lost. He was caring, giving and always there to help if you needed it. I could write a whole book on that man.

Just know that if you need anything will definitely try to help you. Hugs and much love.

“ Audra may God bless you during these trying times. Tom was more like a brother than just a friend. We had some of the best and worse times and always were there for each other. Rest in Peace my Brother. I love you...
