“ *I took care of Tim in SLP3 when I worked at Tribble. He has such a huge heart and loved his staff so much. He was always smiling and love to play argue with staff and room mates. I thank God for all of the laughs and memories with Tim. He was such a sweet fella who left a lasting impression on everyone who knew him. I can only imagine how excited his previous room mate was when he saw Tim arrive in Heaven. Tim you will be forever missed and forever in my heart. Your infectious smile will live with me for the rest of my days. Until we meet again friend. ❤️*
