

Timothy Earl Taylor

May 10, 1992 - December 17, 2020

Timothy Earl Taylor
Pickens, South Carolina

Timothy Earl Taylor, 28, of Pickens passed away on December 17, 2020 at his home.

Timothy was born on May 10, 1992 to Todd Earl Taylor (Carree) of Pickens and Brenda Thompson Hyder (Steve) of Liberty.

In addition to his parents, Timothy is survived by his siblings: Tiffany (Brandon) Thompson of Fountain Inn, Abygail Taylor of Pickens, Sydney (Parker) Lambright of Easley, his children: Elijah and Brooklyn Taylor and their mother Chelsea Anthony of Easley, his paternal grandmother Wilma Chappell of Easley, and countless family and friends who will be forever changed by his absence.

He was predeceased by grandfathers, Timothy Earl Taylor, James Leo Chappell, and Richard Lafayette Thompson, and a grand-mother Sarah Elizabeth Thompson.

Tim was a free spirit who lived by his own rules. He was kind hearted and gentle, giving the shirt off his back to those in need. He was a prankster who

loved to laugh and make others laugh with him.

He loved cooking, camping, the lake, the beach, and most of all playing outdoors with his precious Elijah and Brooklyn. Tim was a skilled electrical technician and had dreams of owning his dad's company one day. He enjoyed working with his hands and finding interesting ways to fix things that were broken.

Tim found comfort in the words of his favorite poem by Marianne Williamson and her words describe the spirit of his heart: "Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. It is our light, not our darkness that most frightens us. We are all meant to shine as children do. We were born to make manifest the glory of God that is within us. It's not just in some of us, it's in everyone."

Private services will be held at a later date.

In lieu of flowers please consider giving to an Education Fund established for Tim's children by going to <https://gofund.me/14e7feac>

“ From Brooklyn daddy, Tim was the best dad ever every time that I would get hurt or be sad or just in a bad mood. If I looked over, I would see my dad just looking at me and he would just be there for me and he's not here no more but every time I go over to his camper to run and give him a ginormous hug and that we love him and have a fun time those five years that I've had with my dad were the best five years I could ever have out of my whole life. He was so funny his laugh he had amazing handsome face good nice smile I never saw him sad ever he was always in a good mood wanting to do something outdoors and now he's gone just like that and I don't have any really memories of my dad. And every single day I have to look back at his face and cry and I I have to hug a towel every single time I think about him because he's not here anymore and it breaks down inside my heart how much I love him and it's all gone. Thank you for taking your time and reading this. See you later RIP daddy Tim, love Brooklyn, Grace Taylor and Elijah Jace Taylor.
