“ Titus we had been best friends since the 1st grade and were close all through Jr high and High School. You was my brother and I still have trouble believing that your not here anymore. We had some good times and the memories I will always remember. From the 3 legged race we almost won in 3rd grade during Field Day to hanging a deer skin to dry at Earth Shine in the 6th grade. We had alot of fun in our younger days and continued to have more fun as we got older. I tell people all the time about that day we was in your old truck and we was playing around and you slung it into your parents driveway coming from Cadillac's house and I fell out the passenger side door on the pavement and when I looked up your back tire was about 6 inches from running over my head and I looked up at you and you looked scared to death. Once we knew I was fine we both looked at each other and started laughing our heads off. We might have been a little crazy but it was all in funny and that's how memories become just that... memories! I miss you Titus, you was a really Good friend and would help anybody, anytime no matter how much work it required or how long it took you would be right there until it was done. I will never forget all the fun times we had. I love you brother and I wish I could just talk to you one more time. The Lord called a friend of ours home about a week after he called you home. I know you already talked to him but do me a favor and tell Patrick Antone I said Hey and I wish he would have called me and we could have talked and maybe things would be different. I'm not gonna hold you up because I know the Lord needs you to enjoy your new life with him and don't need to be troubled with all the negative things down here. Enjoy your new life the Lord provided for you and just meet me at the door when he calls me to come home. Love both my Brothers! R.I.P » Titus Massey R.I.P » Patrick Antone
