

Todd Dale Woodbury

December 31, 1973 - January 3, 2025

Todd Dale Woodbury, loving and loyal husband to Jeanne and fun and caring father to dogs Sammy and Cece, passed away peacefully on January 3rd 2025. Todd is the son of the late Dale Thomas and Irene May Woodbury of South Yarmouth and the devoted brother of Kimberly May of Chelmsford, MA and Ross Thomas of Needham, MA. He is also survived by his niece and nephew Sarah and Ricky Atherton and great uncle to James and Abigail Atherton of Tewksbury.

Todd was originally from Belmont, MA and from a young age had a strong work ethic and high standard for himself. He graduated in 1998 from Wentworth Institute of Technology with a BS in Construction Engineering Technology. Todd went on to form his own successful company, Woodbury Home Solutions, together with his wife Jeanne. Todd had many loyal customers who relied on him exclusively for his quality PHVACR service and installation.

Todd moved to Seneca in May of 2024, planning to relax and enjoy life, cutting back on work. Todd loved fishing, boating, jet skiing, snowmobiling, and watching the New England Patriots. He was also a great neighbor in every community he lived in, devoting much of his time to helping others. His strong work ethic, high morales, and desire to help others made him well known as one of the best guys many people knew.

Todd passed peacefully at home in Seneca. He was in his own bed, surrounded by his wife and dogs with a cozy fire burning and his favorite dragons in sight. Todd fought an admirable battle with aggressive cancer which took him too soon.

In lieu of flowers, donations may be made in Todd's name to Buddy Dog of Sudbury, 151 Post Road, Sudbury MA 01776 of the Hospice of the Upstate, 1835 Roger's Road, Anderson, SC 29621. There will be a private service.

Mountain View Funeral Home Seneca Chapel is assisting the family.

“ Todd and I went to high school together and he was always very thoughtful..great friend. I always remember one year we all (like 16 of us) went to see the allman brothers.. well i wasn't feeling it so todd left the concert with me and we listened to it from the parking lot.. what a great guy who left this earth way too early. I'm sorry for your loss and sending positive thoughts and vibes to all who loved you. Rest in paradise todd

“ Todd was a great friend who will be dearly missed. I have so many fond memories whether we were out on the boat, snowmobiling, watching countless Pats and Bruins games, or late nights with the fire going hanging out on the back patio. Todd was always the first to help everybody, whenever we had a problem with plumbing, heating, or whatever, he was always there to lend a hand.

I just recently found out Todd had moved and a mutual friend from Belmont told me about his passing. Todd used to walk his dogs rain or shine and he always had a pocketful of treats he shared with our dog. You could tell he loved his dogs. He was always friendly and kind. May he rest in peace. Jeanne I am so so sorry for your loss.
