Amber I am so sorry to find out you lost your Dad. I go in on this site to read Brandon's obits over And over and when I saw the last name I thought of you. I am sure he is in Heaven and he and Brandon are sharing stories of you two when you were teens but stayed Friends to the end. I pray God will ease your pain and he will guide you and comfort you during this time of need.

“ I have always felt like part of the family. I know your hearts are broken but we must know that he is now with Pat and Clifford and Mamil and Bub and Dan. We can all be sad when we lose an important part of family, but God assures us if we know Him, we will all be reunited again. My love and prayers are with you all during this time. Beverly
