I worked with Tyler at Walmart. Tyler was a very nice and respectable young man. He was always happy to help anyone. I am so sorry for your loss. My thoughts and prayers are with you all during this difficult time. May God bless all of you.

“ *My heart breaks for Tyler's family. He was generally a quiet young man, but I do remember whenever he had something to say to me it was well thought-out and important. I also enjoyed his sense of humor because it caught me off guard. I wasn't thinking he was ready to crack a joke and fell for it almost every time. He will be missed but I look forward to seeing him again based on his profession of faith in God. I will continue to pray for the family as God mends your broken hearts.*
