“ I've had the privilege to work with Vicki for the past 3 years and really got to know her as a kind and precious friend. Vicki had a dedication and commitment to make our work in the Service Dept. as smooth as possible, always available to provide guidance and support with a passion and care for the team. I'm blessed to have known and love her as a friend and the very best support for all of us with a genuine care for everyone. No one will ever fill your shoes at work. You will be greatly missed and forever in my heart. Prayers of comfort to the family and wishes for peace to know how much she was loved and you all know, better than anyone, how special and precious she was.
