“ I remember when Vickie and Bill took Bill`s parents and my wife and me for a nice ride on their pontoon boat and Bill, Jr. and his friend entertained us on their ski dos! It was a day to member! The Swaynghams have been our friends for many years as we worshiped together at Brushy Creek Baptist Church in Easley. May God`s blessings be with the family in a special way!

“ Vickie was my cousin, but I called her Aunt Vickie. She was there for me in some of the most difficult times I`m my life and made me feel safe and loved. She was the definition of love and joy, if you were ever in her presence you felt both. She will be greatly missed and forever loved.

“ Vickie and I have shared so much together. Joys and sorrows, love and laughter. We were together at the beach on 9/11 when America was attacked. We drove around in tears looking for an open chapel to spend more time praying for our country. I was there for her when her mother died and later as her father died. She was there for me when my mother died. I was chosen to be her maid of honor at her wedding. To many great memories to list here. I was her aunt by marriage (she was 9 when I married her uncle. She was my niece by marriage but my daughter by choice! I will always remember that the last word I heard her say was amen. As I finished praying with her she kept her eyes closed with her lips moving a little (obviously still praying) then looked at me and said amen! I will treasure that last word and knowledge that she was talking with our savior forever! I will forever love her and so look forward to seeing her in heaven where she is now rejoicing with Jesus and her mother who was my very forever best friend on earth, her dad(Jack) and her brother Dean who was my son by choice. I will rejoice with them again. Praying for Bill, Billy, Michelle, Joy and Dalton who were her heart on earth. I will love her throughout eternity, Elaine Painter

“ Bill, Billy and family, I’m so sorry to hear this. Vickie was a sweet lady and the best quiche baker ever! Always smiling and happy until she lost Christen and Dean. I’ll never forget the family times together! I’m sure all of her family in heaven was glad to see her again as I’m sure she also enjoyed the reunion! Hugs to you all. Suzy

“ I have so many great memories of our young adult lives when we were just learning about life! We went to the beach, flew kites, swam, okayed board games on rainy Sunday afternoons and ate at Capri’s when two could eat for left than \$15! We were each other’s bridesmaid! She is healed, free from pain and I am sure hasn’t stopped smiling since she entered the gates of Heaven!

I am sorry that I couldn't keep in touch with Vicki after Jack died. I know that she was a very loving wife, daughter, mother and grandmother. I also know that she loved her church. She is resting in peace.
