*Ms Vickie was my neighbor and we had such a wonderful time talking and visiting each other. I will remember her always and I will miss her deeply. She was a great lady and a wonderful person. She really loved her family and talked about them often. I will really miss our talks and sitting on the porch watching the hummingbirds fight over the feeders we hung. I know she is with her sister in law Vickie and they are having a heck of a time in Heaven. Love & Prayers to all her loved ones The Randolph's*
