Jeannie, Wayne always made me smile. One day near the end of September 1988, with a grin on his face, Wayne pointed David out and told me to go talk to him about my car--that was the first day I met David.

He teased me a lot because I was so picky, too! One day he told me if I'd just turn up my radio, I wouldn't hear the noise my engine was making. His smile was contagious. Prayers for you in the coming days.
